

About the Challenge

Hack the Change aims to inspire students across Canada to leverage technology to enact social change. We're looking for creative and innovative solutions to existing problems, with the goal of coding a better tomorrow.

Requirements

Open to all Canadian students, at the university, college, or high school level. (Must be an accredited institution)

Prizes

1st place - \$5,000 CAD; 2nd place - \$3,000; 3rd place - \$2,000; All prizes will be split between students and the charities of their choice.

Registration
